Greetings

Old Goats Kids Who Care looking to repeat this event but seeking a different venue. Coronado Cays bb court and park fits best.

The wounded warrior wolfpack wheelchair basketball team is available from late May through the summer so we are open as to the date.

We envision an afternoon early evening series of short games with the wolfpack vs city local heroes (police, fire, lifeguards, hospital) and other teams TBA.

Will have a picnic in the park type of get together catered by local restaurants.

Will have musical entertainment.

The event will be a fund raiser for the warrior foundation freedom station wolfpack basketball team so we will be asking for donations from those who attend.

Please get back to me if you are interested in supporting this proposed event.

Once I have your responses, I will create a plan for your approval. Our Old Goats Kids Who Care will be supporting and promoting the event.

Thanks for your support

Ben
